

Anindilyakwa Land Council (ALC) Office Level 2

Client: Anindilyakwa Land Council

Location: Level 2, 58 McLeod Street, Cairns

Scope:

This project comprised a complete tenancy fitout to meet our client's requirements, including new internal partitions, ceilings and internal timber-framed glazed doors and windows.

Aside from providing services including plumbing, electrical & data services, fire and air conditioning, the premise was fully painted, fitted with work stations and kitchen facilities and custom timber-framed glazing.

Custom made joinery, glass whiteboards, Decoscreen roller blinds and a large "Golden Queen" Marble Boardroom Tabletop and special art printed vinyl graphics all contribute to the smartness and overall successful completion of this office suite.
