

# Cairns Base Hospital Block D Café

**Client:** FNQ Hospital Foundation

**Location:** Block D, Cairns Base Hospital

## **Scope:**

This consisted of a complete internal fitout to create a café to meet the needs of staff, patients and visitors to the Cairns Base Hospital. Care had to be taken to use the small space as efficiently as possible to cater for the high volume of customers.

The fitout consisted of the supply and installation of all ceilings, partitions, cold room, covered vinyl flooring, covered epoxy flooring, wall vinyl, stainless steel benches, equipment, joinery and services (mechanical, electrical, hydraulics, security and fire).

Attractive timber feature seating was provided outside the café for the comfort of the clientele.
